CD-R / CD-RW MEDIA

Consistent Recording Performance Every Time

The ultimate in reliability and recording performance is yours with Verbatim CD-R and CD-RW media. Our high speed CD-R and CD-RW discs have been tested and certified by today's leading drive manufacturers. Each disc delivers reliable, error-free recording even at blazing speeds. These CDs offer unlimited uses for data storage. Record your personal music mix, save and archive important files or create a digital photo album. Verbatim also offers a variety of unique surfaces such as Digital Vinyl CD-R, Inkjet and Thermal Printable, LightScribe, & Color discs.

Features & Benefits

- Compatible with latest CD-Recordable (52X) and CD-Rewritable (32X) drives
- Printable Surfaces compatible with the latest inkjet and thermal printers
- LightScribe enabled drives allow users to create customized labels with drive laser

For the industry's most complete and varied CD lineup, backed by a long-standing reputation for quality and consistency, insist on Verbatim branded CD-R and CD-RW products. All backed by a Verbatim Limited Lifetime Warranty.
